

AUGUST 28-31 2026

~ Welcome to Jam Camp! ~

We gather around the central Fire to sing, dance, connect and beat the heart of the camp together. Join us at our Morning Circle, then choose your own adventures throughout the day: explore a myriad of workshops, relax at a Cozy Concert, take a swim, try something new... and come back to share your stories at dinner time! As you follow your flow, there are plenty of treasures to discover - in the Village Market, the Care Cocoon, the Kids Zone, and of course, throughout this epic land. Soak in the music of the forest, put your costumes on for Carnival Night and enjoy the jams folks! May we sing our way home to love, kindness, and connection.
